Welcome

At Face & Beauty Academy we are proud to deliver qualifications for a career you'll love for life.

If you enjoy making people feel good about themselves, you're in the right place. A career in the hair and beauty industry is highly rewarding and the industry is constantly evolving, so you will continue to be challenged throughout your career.

Not only is the industry evolving, it's also growing. The demand for hair and beauty services continues to rise for both women and men, with an increased interest in holistic wellbeing, a desire to look and feel our best, and a growing need for life balance and relaxation and a booming cosmetics industry.

Graduates today need to be multi skilled! Hair salons want employees with extra skills in makeup. Stage and screen producers and directors want makeup artists who can style hair, assist with costumes and props, and create special-effects makeup looks.

Our courses teach you additional basic skills outside of your chosen area. Or study one of our Collections and learn more than one skill set in depth.

Our series of unique programmes are designed to qualify our graduates in the different areas of the beauty industry. Face and Beauty is a category 1 provider, accredited to provide NZQA approved programmes and qualifications.

Here at Face & Beauty Academy we believe it is a great honour and privilege to sculpt students who are passionate about their future and we pride ourselves on being able to deliver on a dream that exceeds the expectations of the person who dared think it possible. This is possible because of our amazing team of professional trainers, a unique collection of programs and our exclusive industry partnerships and employment opportunities.

Choose a career you'll love for life, learn with us and be part of the Face & Beauty experience!

CLASS TIMES

Class times run from 9am-4pm Monday to Friday. All sessions are compulsory. Students are required to complete between 5-10 hours of self-directed learning per week in addition to face-to-face classes.

Level 4 hairdressing hours run from 9am-4pm during class weeks, and from 9am-5pm (including one late night until 8pm) for salon weeks.

To gain real practical experience and prepare you for work, you may be required to attend work experience events. As a general guide this may include flexible attendance at the campus,

as required. We will endeavour to provide you with plenty of notice so that you can prepare for this, as you may need to consider support requirements to allow for these flexible hours e.g. childcare arrangements.

Face & Beauty Academy reserves the right to make changes to timetables and course structures to meet operational and industry requirements. Please note that all courses are run subject to numbers and space availability.

LOANS AND ALLOWANCES

Face and Beauty courses are eligible for the Government's fees-free policy.

Student Loan Scheme

All New Zealanders who have completed less than half a fulltime year of post-school education or training may be eligible to study fees-free up to a maximum of NZ\$12,000. Check if you are eligible for fees-free study using the tool at: feesfree.govt.nz. It's a good idea to do this before applying for student support so you know whether to ask for a loan for your fees.

Course Related Costs

If you're eligible for fees-free study, you must apply for a student loan if you need to borrow money for course-related costs or living costs. If you need a student loan for course-related costs or living costs, you must apply through Studylink. It is important that you complete your Studylink application as soon as possible. This can be done at: studylink.govt.nz

Processing Applications

Information for both the allowance and student loan schemes is available from Studylink on their website. Our friendly recruitment team can check your documentation, authorise photocopies of birth certificates and other documents, if needed.

INTERNSHIP OPPORTUNITIES

Internships in New Zealand and overseas may be offered as part of the Professional Face, Body & Spa Therapies for the last 6 weeks of your Diploma. Some internships have criteria, visas and costs attached and the internship availability or conditions could change at any time. Refer to our website for more information. All international internship opportunities are subject to changes in government and subsequent visa requirements.

International internships opportunities are only available to NZ domestic students.

Relationships with industry partners are subject to change.

INTERNATIONAL EXAMS

CIDESCO

Comite International D'esthetiques et de Cosmetology (Swiss based)

CIDESCO is considered the oldest examination board. A CIDESCO examiner will examine all practical and theory examinations alongside an Elite examiner. The practical exam consists of beautician and body components together in one day and CIDESCO theory exam on a separate day.

Results will be given immediately following marking. The pass mark for CIDESCO is set at 70%. A thesis on a subject of your choice is required as additional research and a demonstration of a specialised treatment. These results will go towards your final marks.

An additional requirement of 600 hours is to be completed in the industry to enable all candidates to obtain a full CIDESCO Diploma. CIDESCO has additional Diplomas in Electrolysis, Aromatherapy, and some Holistic Therapies. These can be achieved with further training to extend your CIDESCO qualification.

CIBTAC

Confederation of International Beauty Therapy and Cosmetology (UK Based)

An examiner from CIBTAC examines your practical exam and invigilates all theory papers. The pass mark for CIBTAC is set at 60% and all results are forwarded to the school within 12 weeks of the exam. Achievements of Pass, Credit or Honours can be gained through theory and practical exams.

CIBTAC exams are designed for individual therapists to enhance their careers by gaining extra qualifications within beauty therapy. These include nail technology, spa Diplomas, holistic therapies and a variety of massage Diplomas.

Important Information

All costs for these exams are not included in your fees and the amounts may differ according to the currency rate at the time of payment. Policies and fees for international exams are governed by the individual international examining boards.

International exams take place twice a year in June/July and November/December and dates for these are only confirmed by each examining body 12 weeks prior to exams.

Due to the stringent marking procedures of the examination boards, international exam results can take up to three months after the exams have been sat to be released to the school by the examining board. It is your responsibility to contact Elite to find out your results.
